

Create an account on Open P-TECH

1

Visit <https://open.ptech.org> and click **Register or sign in**

2

Select one of the **“Sign Up” links** at the bottom of the page:

The screenshot shows a login page titled "Log in to Your Learning". Below the title, it says "Please sign in using one of the services below. You must sign in with one of the email addresses registered with Your Learning." There are four buttons for login: IBM, Google, LinkedIn, and Azure. Below these, there is a link for "IBM employee signin". At the bottom, there is a section titled "Don't have an account with one of these? Sign up now" which contains three buttons: "Sign up for IBM", "Sign up for Google", and "Sign up for LinkedIn". This bottom section is highlighted with an orange border, and a large orange arrow points to it from the right.

3

You can either **create a new IBM account** from scratch or **use a pre-existing Google or LinkedIn account**

4

Login to the platform and find your lessons
Don't forget to **rate the lesson** when you're done!
