

NAF National Partner Internship Programs Parent/Legal Guardian Cooperative Agreement for Summer 2024

As part of their NAF academy experience, students participate in a paid internship program to gain valuable workplace experience. **NAF National Partner Internship Programs** offer paid positions provided by notable NAF employer partners for motivated students during Summer 2024*. These internship positions are selective and to be considered for one of these prestigious opportunities, students must complete an eligibility process, a program application, and *depending on the program*, an interview. Internship programs are planned to develop students academically, economically, and socially. There are responsibilities of the student and parent/guardian that must be considered in the eligibility process. For students under the age of 18, a parent/legal guardian must agree to the responsibilities outlined below and approve their student's participation in the internship selection process by completing and signing this form. (Students aged 18+ will need to complete this form).

**Specific program details, including dates, work schedule, and pay rate will be provided in early 2024.*

Eligibility Process and Program Application Steps:

1. At the recommendation of NAF Academy staff, students complete the required eligibility process (submitting this form is one of the requirements)
2. NAF will communicate eligibility status to students by email.
3. Eligible students, academy leaders, and parent/guardian are contacted by email once specific program information and the corresponding application process is released (usually in January or February).
4. Eligible students begin program-specific application process(es). **Some academies might be invited to participate in the application and selection process for multiple programs. Students can apply to more than one program, but only one job offer can be accepted if multiple offers are made. Students will be removed from consideration for other program(s).*

Your student will upload this completed and signed form as a required part of the eligibility process.

Approval & Agreement by Parent/Legal Guardian:

- I understand that gaining eligibility through this process does not guarantee an internship position for the above student.
- The above student can provide the necessary documentation to complete IRS Form I-9 ([View I-9 form](#), [view I-9 instructions](#), [view list of acceptable documents](#)).
- I agree to support the above student in following NAF, employer partner, and school expectations for the recruitment process and internship program, including adherence to the policies below:
 - Prior to accepting an internship position, students must commit to the entire length of the internship program, assigned work schedule, including any travel to/from the worksite (if applicable).
 - Students are invited to apply to multiple opportunities but must only accept one internship position/program out of respect for employers and other students. Once a job offer is accepted, NAF will remove the student from consideration for other NAF internship programs and requests students do the same for any opportunities they are pursuing outside of NAF.
- In order to move the above student forward in the internship application and selection process, it is necessary for NAF to share the above student's information with the employer partners who manage these internship programs and hiring process. By checking this box, I give my consent/permission for NAF to securely share information provided by the above student with employer partners for purposes of the selection process.
